**ACTIVITIES CONDUCTED IN OUR SCHOOL REGARDING
SAFETY GUIDELINES**

INTRODUCTION

School Safety Guidelines in
Emergency Procedure, Fire S
Cyber Security and Mental H
Support along with many other
which are of great concern.

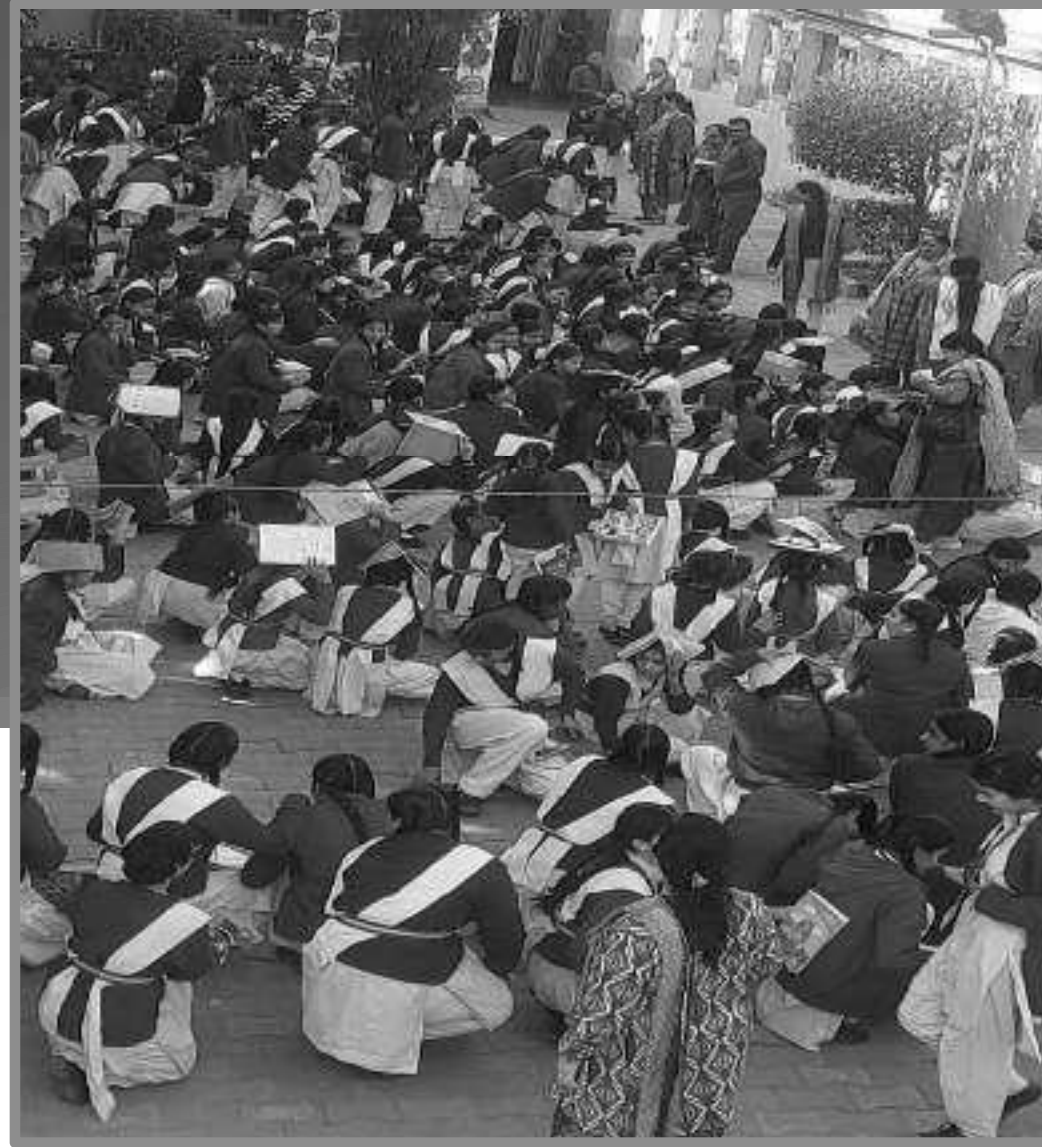

Different types of Safety Activities Conducted in School

As Children spend the quality time in School, It is necessary that they remain safe in the School premises. Safety Guidelines are necessary to maintain the peace and efficient working of School. And so School must ensure to keep reviewing these measures for better functioning.
